

Go and make your luck with the life you choose

If you want it all, lay it on the line

## Fill in the gaps

Make it count, play it straight	It's the only life you got
Don't look back, don't hesitate	So you gotta live it big time
When you go big time	Look around
What you want, what you feel	Everyone is shining now
Never quit and (1) it real	It's brighter somehow
When you roll big time	Look around
Hey, hey, listen to your (2) now	Nothing's really as it seems
Hey, hey, don't you feel the rush?	Nothing but dreams
Hey, hey, better take your shot now	You and I
(Oh, oh, oh, oh)	Gonna make a (4) new sound
Go on shake it up, what you (3) lose?	Like we own this town
Go and make your luck with the life you choose	We can fly
If you want it all, lay it on the line	Now our feet are off the ground
It's the only life you got	And never look down
So you gotta live it big time	Welcome to the big time
(Oh, oh, oh, oh)	All the pretty people (5) walkin' in the sunshine
(Oh, oh, oh, oh)	Welcome to the good times
Step it up, getting gear	Life will never be the same
Go for broke, make it clear	Go on shake it up, what you gotta lose?
Gotta go big time	Go and make your luck with the life you choose
Make it work, get it right	If you (6) it all, lay it on the line
Change the world over night	It's the (7) life you got
Gotta dream big time	So you gotta live it big time
Hey, hey, give it all you got now	
Hey, hey, isn't it a rush?	If you (8) it all, lay it on the line
Hey, hey, finish what you start now	It's the only life you got
(Oh, oh, oh, oh)	So you gotta live it big time
Go on shake it up, what you gotta lose?
