Every You Every Me by Placebo

Sucker love is heaven sent
You (1)_____ up, our passion's spent
My hearts a tart, your body's ren
My body's broken, yours is bent
Carve (2)_____ name into my arm
Instead of stressed, I lie here charmed
'Cause there's nothing else to do
Every me and every you
Sucker love, a box I choose
No other box I choose to use
Another (3)_____ I would abuse
No (4)_____ could excuse
In the shape of things to come
Too much poison come undone
'Cause there's nothing else to do
Every me and (5)_____ you
Every me and every you
Every me...
Sucker love is known to swing
Prone to cling and waste these things
Pucker up for (6)_____ sake
There's never been so much at stake
I serve my head up on a plate
It's only comfort, calling late
'Cause there's nothing else to do
Every me and every you

Every me and every you
Every me...
Every me and every you
Every me...
Like the naked leads the blind
I know I'm selfish, I'm unkind
Sucker love I always find
Someone to (7)_____ and leave behind
All alone in space and time
There's nothing here but what here's mine
Something borrowed, something blue
Every me and every you
Every me and (8)_____ you
Every me...
Every me and (9)_____ you
Every me...
Every me and every you
Every me...
