

Fill in the gaps

I've got a (1) in my hand	Scary thoughts and frightening sounds
Filled with stuff most precious to me	In my mind still I try avoid it
Sidewalk (2) my feet	Heading through (6) (7) not one-way
Wherever they're headed.	alley
There is no directions given	I can't really sense my surroundings
Just some trust in human mind to rely on	Seems to be all dark around.
And to hold on to.	Nothing there, to (8) up my way.
Honestly don't know where I'll end up at last	Honestly don't know where I'll end up at last
Won't even (3) the days.	Won't (9) count the days.
One thing I sure know I won't move so fast	One thing I sure know I won't move so fast.
My mind in complete haze.	My mind is complete haze.
I pass by	I pass by
Don't dare to stop	Don't dare to stop
When there's someone I see	When there's someone I see
There's no one (4) but me	There's no one here but me
I'm fooled by (5) inside my head.	I'm fooled by (10) inside my head
If I lay down now	If I lay down now
I might seem kinda dead	I might seem kinda dead
Just keep on wasting time.
