The Kids We Used To Be... by Your Demise

So this is the song

I write for everyone who I (1)_____ forgot

The kids we used to be are all dead

Gone and forgotten

Black (2)_____ boys and bright eyed girls

Friday night love

And Saturday (3)_____ regrets

Summers came and went

But the (4)_____ never left...

But the love never left...

So let's bring back the best years...

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best friends stay same

I'll prove you wrong

Sticks and stones (5)_____ broke our bones

Standing outside our homes

Watching the sun come up

5:00 am never looked so beautiful

And feeling

Beaten and jaded

Never felt so ***** good

I can't wait for tomorrow to (6)_____ around

So let's bring back the best years

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best friends stay same

I'll prove you wrong

I know I can still hear the singing

From the basement

And I (7)_____ you can too

The (8)_____ still rises

I know I can still hear the singing

From the basement

And I know you can too

The smoke still rises

I know I can still hear the singing

From the basement

And I know you can too

The smoke still rises

So let's bring back the best years

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best friends stay same

I'll (9)_____ you wrong

So let's bring back the best years

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that (10)_____ friends stay same

I'll prove you wrong...
