## The Kids We Used To Be... by Your Demise

So this is the song		Til prove you wrong
I write for everyone who I never forgot		I know I can still hear the singing
e (1) we used to be are all dead		From the basement
Gone and forgotten		And I know you can too
Black eyed boys and bright eyed girls		The (5) still rises
Friday night love		I know I can still hear the singing
And Saturday morning regrets		From the basement
Summers came and went		And I know you can too
But the love (2) left		The smoke still rises
But the love never left		I know I can still hear the singing
So let's bring back the best years		From the basement
Nights spent hanging out		And I know you can too
Not giving a ****		The smoke still rises
Being down on our luck		So let's (6) back the best years
Some people say that best friends stay same		Nights spent hanging out
I'll prove you wrong		Not (7) a ****
Sticks and stones never broke our bones		Being down on our luck
Standing outside our homes		Some (8) say that best friends stay san
Watching the sun come up		I'll prove you wrong
5:00 am never looked so beautiful		So let's bring back the best years
And feeling		Nights spent hanging out
Beaten and jaded		Not (9) a ****
Never felt so ****** good		Being down on our luck
I can't wait for (3)	to come around	Some people say (10) best friends stay sam
So let's bring back the best years		I'll prove you wrong
Nights spent hanging out		I'll prove you wrong
Not giving a ****
