

## Fill in the gaps

	All I want is a place to call my own
I'm always screaming my (1) out	To mend the hearts of (14) who feels
'Til my head starts spinning	alone
Playing my (2) is the way I cope with life	You know to keep your (15) up high
Won't keep my (3) down	And your head down low
Know the words I speak	All I (16) is a place to call my own
Are the thoughts I think out loud	To mend the hearts of everyone who feels alone
I like to (4) things honest	You know to keep your hopes up high
I'm a safe bet like your life's staked on it for real	And your head down low
I'd hate to (5) you all wondering	If you take it from me
I'm constant like the seasons	Live (17) life for yourself
I will never be forgotten man	'Cause when it's all said and done
Let's leave no words unspoken	You don't need (18) else c'mon
And save regrets for the broken	So let's get back to when
Will you even look back	Everything seemed perfect
When you think of me?	Not a worry in the world
All I (6) is a place to call my own	Tell me was this all worth it?
To mend the hearts of everyone who feels alone	I get (19) I want so everyone's (20)
(Whoa)	judging me
You know to keep your (7) up high	I'm not (21) of anything
And your head down low	And I've got the whole world in front of me
Keep your hopes up high and your head down low	All I (22) is a place to call my own
Still got something left to prove	To mend the hearts of everyone who feels alone
It (8) to keep (9) movin'	You know to keep your hopes up high
While everyone (10) me says	And (23) head down low
My last days are (11) overhead	All I want is a place to call my own
But just what the hell do they think they know?	To mend the (24) of everyone who feels alone
I keep my head above the water	You know to keep your hopes up high
While they drown in the undertow	And your (25) down low
Let's (12) no words unspoken	Keep your heads down low
And save regrets for the broken	Keep (26) heads down low
Will you even (13) back	Keep (27) hopes up high
When you think of me?	Keep your heads down low
