

## Fill in the gaps

	All I want is a place to call my own
I'm (1) screaming my lungs out	To mend the hearts of everyone who feels alone
'Til my head starts spinning	You know to keep your hopes up high
Playing my songs is the way I cope with life	And your head down low
Won't keep my voice down	All I (5) is a place to (6) my own
Know the words I speak	To mend the hearts of everyone who feels alone
Are the thoughts I think out loud	You know to keep your hopes up high
I like to keep things honest	And (7) head down low
I'm a safe bet like your life's staked on it for real	If you take it from me
I'd hate to keep you all wondering	Live your life for yourself
I'm constant like the seasons	'Cause when it's all said and done
I will never be forgotten man	You don't need anyone else c'mon
Let's leave no (2) unspoken	So let's get back to when
And save regrets for the broken	Everything seemed perfect
Will you even (3) back	Not a worry in the world
When you think of me?	Tell me was this all worth it?
All I want is a place to call my own	I get what I want so everyone's always judging me
To mend the hearts of everyone who feels alone	I'm not afraid of anything
(Whoa)	And I've got the whole world in front of me
You know to keep your hopes up high	All I want is a (8) to call my own
And your head down low	To mend the (9) of (10)
Keep your hopes up high and (4) head down low	who feels alone
Still got something left to prove	You know to keep your hopes up high
It tends to keep things movin'	And your head down low
While everyone around me says	All I want is a place to call my own
My last days are looming overhead	To mend the hearts of everyone who feels alone
But just what the hell do they think they know?	You know to keep your hopes up high
I keep my head above the water	And your head down low
While they drown in the undertow	Keep your heads down low
Let's leave no words unspoken	Keep your heads down low
And save regrets for the broken	Keep your hopes up high
Will you even look back	Keep your heads down low
When you think of me?
