Laserlight by Jessie J & David Guetta

In the blink of a night	And the world starts sha-sha-shaking
I was falling from the sky	They keep talking, talking, talking
In the blur, you took my breath away	But we're walking, walking, to the light
And my heart starts beating	Tonight, tonight
And my lungs start breathing	You're like a laserlight, burning up
And the voice in my head (1) screaming	Burning down, on me

You make me feel like I could live another day	You know I wouldn't have it any other way
