

Fill in the gaps

Laserlight by Jessie J & David Guetta

In the (1) of a night	And the world (14) sha-sha-shaking
I was falling from the sky	They keep talking, talking, talking
In the blur, you took my (2) away	But we're walking, walking, to the light
And my (3) starts beating	Tonight, tonight
And my lungs start breathing	You're like a laserlight, burning up
And the (4) in my (5) starts	Burning down, on me
screaming	You're like a laserlight, (15) up
I'm alive!	Burning down, on me
You're like a laserlight, (6) up	You (16) me feel good
Burning down, on me	You make me feel safe
You're like a laserlight, burning up	You (17) me feel (18) I could live
Burning down, on me	another day
You (7) me feel good	You make me (19) good
You (8) me feel safe	You (20) me (21) safe
You make me feel like I (9) live another day	You (22) I wouldn't have it any other way
You make me feel good	(Oh, oh, ohplease don't stop)
You make me (10) safe	(Oh, oh, ohI won't stop)
You (11) I wouldn't have it any other way	(Oh, oh, ohwe won't stop)
(D-D-D-David G)	In the blink of a night
(Je-Je-Je-Jessie J)	I was (23) from the sky
You and me, face to face	In the blur, you took my breath away
And there's so (12) I could say	
On these words, and forever seem the silence	
Can you hear, (13) box bre-brea-breaking
