

## Fill in the gaps

Once (1) I leave my grave	Do you hear a voice like velvet through the night sky?
Dirt and daisies hit the pave	Do you hear the fickle hand of fate at my side?
No sooner than I have turned	And all those that God has sinned with hope in his stride
hear the devil cooking up a new storm	And watch out (watch out!)
My world (2) on a regular basis	Watch for them camouflaged and crouched in the shadows
Yeah I fed quick and lonesome places	Oh (8) couldn't hold a candle up to you
But no sooner that I am dead	But they stand as tall as you in broad daylight too
feel the ravens tugging at my hair	Oh! Hark!
Oh! Hark!	
Do you hear a voice like velvet through the night sky?	Oh! Hark!
Do you (3) the (4) hand of fate at	Do you a hear a voice like velvet (9) the

And all those that God has sinned with hope in his stride	Do you hear the fickle (10) of fate at my side?
And watch out (watch out!)	And all those that God has sinned with hope in his stride
Natch for them camouflaged and crouched in the shadows	
Oh they couldn't hold a (5) up to you	And watch out (watch out!)
But they stand as tall as you in broad daylight too	Watch for them camouflaged and crouched in the shadows
Oh! Hark!	Oh they couldn't hold a candle up to you
	But they stand as tall as you in broad daylight too
Once again I leave my grave (leave my grave)	Oh! Hark!
Like a bird out of its cage (out of its cage)	Oh! Hark!
No sooner that I have won	
feel the storm clouds plotting against the sun	
Plotting against the sun, (6)	
(7) the sun
