

Fill in the gaps

Once again i leave my grave	Do you (14) a voice (15) veivet
Dirt and daisies hit the pave	(16) the (17) sky?
No sooner than I have turned	Do you hear the fickle hand of fate at my side?
I hear the devil (1) up a new storm	And all (18) that God has sinned (19)
My world ends on a regular basis	hope in his stride
Yeah I fed quick and lonesome places	And watch out (watch out!)
But no (2) (3) I am dead	Watch for them (20) and
I feel the ravens tugging at my hair	(21) in the shadows
Oh! Hark!	Oh (22) couldn't hold a candle up to you
Do you (4) a (5) like velvet through	But they stand as tall as you in broad daylight too
the night sky?	Oh! Hark!
Do you hear the fickle (6) of fate at my side?	
And all those that God has sinned with hope in his stride	Oh! Hark!
And (7) out (watch out!)	Do you a hear a (23) like velvet
Watch for them (8) and crouched	(24) the night sky?
in the shadows	Do you (25) the (26) hand of fate
Oh they couldn't hold a candle up to you	at my side?
But they stand as tall as you in broad (9)	And all (27) that God has sinned with hope in his
too	stride
Oh! Hark!	
	And watch out (watch out!)
Once again I leave my grave (leave my grave)	Watch for them camouflaged and crouched in the shadows
Like a (10) out of its (11) (out of its	Oh they couldn't hold a (28) up to you
cage)	But they (29) as tall as you in broad daylight too
No sooner that I (12) won	Oh! Hark!
I feel the storm (13) plotting against the sun	Oh! Hark!
Plotting against the sun, plotting against the sun	
Oh! Hark!
