I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)	
Well I'm not a vampire	Daddy should've never raised me on Black Sabbath!	
But I feel like one	I'm insane	
Sometimes I sleep all day	Well, I can feel it in my bones	
Because I hate the sunlight	Coursing through my veins	
My hands are always shaking	When did I (9)	so cold?
Body's always aching	For goodness sake	
And the dark is when I feed	Where is my self control?	
Well I can (1) any woman (2) I want to	If home is where my heart is	
In my bed with me	Then my heart has lost all hope	
And whiskey seems to be my (3) water	God bless all of you now	
Mothers better lock your doors	'Cause I'm going straight to hell	
And hide (4) daughters	And I'm taking you down with me	
I'm insane	'Cause you know damn well	
Well, I can feel it in my bones	I'm insane	
Coursing through my veins	Well, I can feel it in my bones	
When did I become so cold?	Coursing through my veins	
For goodness sake	When did I become so cold?	
Where is my self-control?	I'm insane	
If (5) is where my heart is	Well, I can feel it in my bones	
Then my heart has (6) all hope	Coursing through my veins	
Well I'm not a zombie	When did I become so cold?	
But I feel like one today	For (10)	sake
Self-induced comatose, chemical daze	Where is my self control?	
My head is always spinning	If home is where my heart is	
From (7) dizzy, blurry vision	Then my heart has lost all hope	
And my stomach has had enough	All hope	
I feel like a lady	All hope	
That is pregnant (8) a baby		
'Cause I'm always throwing up
