### I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've never raised me on Black Sabbath!
But I feel like one	I'm insane
Sometimes I (1) all day	Well, I can (13) it in my bones
Because I hate the sunlight	Coursing through my veins
My hands are (2) shaking	When did I (14) so cold?
Body's (3) aching	For (15) sake
And the dark is when I feed	Where is my (16) control?
Well I can (4) any woman that I want to	If home is where my heart is
In my bed with me	Then my heart has lost all hope
And whiskey seems to be my holy water	God bless all of you now
Mothers better lock (5) doors	'Cause I'm going straight to hell
And (6) (7) daughters	And I'm (17) you down (18) me
I'm insane	'Cause you (19) damn well
Well, I can feel it in my bones	I'm insane
Coursing through my veins	Well, I can feel it in my bones
When did I become so cold?	Coursing through my veins
For (8) sake	When did I become so cold?
Where is my self-control?	I'm insane
If home is where my (9) is	Well, I can feel it in my bones
Then my heart has lost all hope	Coursing (20) my veins
Well I'm not a zombie	When did I (21) so cold?
But I feel like one today	For goodness sake
Self-induced comatose, chemical daze	Where is my self control?
My head is always spinning	If (22) is where my heart is
From (10) dizzy, blurry vision	Then my heart has lost all hope
And my (11) has had enough	All hope
I feel like a lady	All hope
That is (12) with a baby	
Cause I'm always throwing up
