Kryptonite by 3 Doors Down

I took a (1)_____ around the world

To ease my troubled mind

I left my body lying somewhere

In the sands of time

But I watched the world float

To the (2)_____ side of the moon

I (3)_____ there's nothing I can do, yeah

I (4)_____ the world float

To the dark side of the moon

After all I knew

It had to be (5)_____ to do with you

I really don't mind what happens now and then

As long as you'll be my friend at the end

If I go crazy

Then will you still call me Superman

If I'm alive and well

Will you be there a-holding my hand

I'll keep you by my side

With my superhuman might, kryptonite

You called me strong

You called me weak

But still your secrets I will keep

You took for granted all the times

I never let you down

You stumbled in and bumped your head

And if not for me then you'd be dead

I picked you up and put you

Back on solid ground

If I go (6)_____ then will you still call me Superman

If (7)_____ alive and well

Will you be there a-holding my hand

I'll keep you by my side

With my superhuman might, kryptonite

...

If I go crazy then will you still call me Superman

If I'm alive and well

Will you be there holding my hand

I'll keep you by my side

With my superhuman might, kryptonite

(Yeah!)

If I go (8)_____ (9)_____ will you still call me Superman

If I'm (10)_____ and well

Will you be there a-holding my hand

I'll keep you by my side

With my superhuman might, kryptonite

Fill in the gaps

Answer

1. walk
