## When You Were Around by Lene Marlin

I miss those times,	Haven't (4) (5) you,
I miss those days	I guess that means
When you (1) around,	That I'm no good no more,
in so many ways	that's what it seems
And it felt so safe,	And I, was (6) patiently,
and I was glad.	But you never came
But now something's changed,	I realize it now, won't ever be the same again
That makes me sad	Won't ever be the same again
And I, was (2) patiently,	You see, I gave up (7) for you to care
But you never came	You're not there,
I (3) it now, won't ever be the same again	and I (8) if you ever were
Won't ever be the same again	And I, was waiting patiently,
If you're doing fine,	But you never came
I don't know	I realize it now, won't (9) be the same again
You see, I gave up calling	Won't ever be the same again
long time ago
