When the sun goes down

Fill in the gaps

The Sound Of Violence by Cassius

I feel like a wanna be inside of you		As (3) as I'm (4) be	
When the sun (1) down (yeah)		Around you	
All my heart		When the sun goes down (yeah)	
Taking me back to blue		Feel like I wanna be	
I've fallen into my own senses		You more (5) I	
Another night		Get around, come around (yeah)	
Another day		See you every night	
It's better this way		Hear the crowd	
Let the music play		Sound of violence	
All my heart		Shake it out	
Only you can know how I feel		I feel like a (6)	_ be inside of you
Every day is an ordeal		Ready now	
To get by		Going to let it all out	
Melancholy		Ready now	
Ever so		When the sun (7)	_ down
Broken skin		We'll be coming out	
Mercury rising		Ready or not	
Feel like a wanna be inside of you		Going to let it out	
When the sun goes down		When the sun goes down	
Feel like a wanna be inside of you		Ready now	
When the sun goes down (yeah)		Going to let it all out	
All my heart		Ready now	
There's (2)	across the tracks	When the sun goes down	
Hoping to played it back		We'll be (8)	out
All right		Ready or not	
Lucky me		Going to let it out	
Lucky you		When the sun goes down	
They're giving us		Ready now	
A two minute warning		Going to let it all out	
All my heart		Ready now	
Changing the way I kill		When the sun goes down	
By changing the way I feel		We'll be coming out	
Step forward		Ready or not	
Everybody		Going to let it out	
Around the world understands		When the sun goes down on me	
What makes a child of man		On me	
Yes come;		When the sun goes (9)	on me
