The Sound Of Violence by Cassius

When the sun goes down

Fill in the gaps

I (1) (2) a wanna be inside of you	As long as I'm gonna be
When the sun goes down (yeah)	Around you
All my heart	When the sun goes down (yeah)
Taking me back to blue	Feel like I wanna be
I've fallen into my own senses	You more than I
Another night	Get around, come around (yeah)
Another day	See you (9) night
It's (3) this way	Hear the crowd
Let the music play	Sound of violence
All my heart	Shake it out
Only you can know how I feel	I feel like a wanna be inside of you
Every day is an ordeal	Ready now
To get by	Going to let it all out
Melancholy	Ready now
Ever so	When the sun (10) down
Broken skin	We'll be coming out
Mercury rising	Ready or not
Feel (4) a wanna be inside of you	Going to let it out
When the sun (5) down	When the sun goes down
Feel like a wanna be inside of you	Ready now
When the sun goes (6) (yeah)	Going to let it all out
All my heart	Ready now
There's movement across the tracks	When the sun goes down
Hoping to (7) it back	We'll be coming out
All right	Ready or not
Lucky me	Going to let it out
Lucky you	When the sun goes down
They're giving us	Ready now
A two (8) warning	Going to let it all out
All my heart	Ready now
Changing the way I kill	When the sun goes down
By changing the way I feel	We'll be coming out
Step forward	Ready or not
Everybody	Going to let it out
Around the world understands	When the sun goes down on me
What makes a child of man	On me
Yes come;	When the sun goes down on me
Feel like a wanna be inside of you
