Out (1) the (2) broke	in forty five degrees
The bloodwood and the (3) oak	The (16) has come
Holden wrecks and (4) diesels	To say fair's fair
Steam in forty five degrees	To pay the rent
The time has come	To pay our share
To say fair's fair	The (17) has come
To pay the rent	A fact's a fact
To pay our share	It belongs to them
The (5) has come	Let's give it back
A fact's a fact	How can we dance when our earth is turning
It belongs to them	How do we sleep while our beds are burning
Let's (6) it back	How can we (18) when our (19) is
How can we dance (7) our (8) is	turning
turning	How do we (20) while our beds are burning
How do we (9) (10) our beds are	The time has come to say fair's fair
burning	To pay the rent, now to pay our share
How can we (11) when our earth is turning	The (21) has come, a fact's a fact
How do we (12) while our (13) are	It belongs to them, We're gonna (22) it back
burning	How can we (23) when our (24) is
The time has come to say fairs fair	turning
To pay the rent	How do we sleep (25) our (26) are
Now to pay our share	burning
Four wheels scare the cockatoos	
From Kintore (14) to Yuendemu	
The western (15) lives and breathes
