## Rabbit Heart (Raise it Up) by Florence + The Machine

The looking glass, so shiny and new	Who is the lamb and who is the knife?
How quickly the glamour fades	Midas is king and he holds me so tight
I start spinning, slipping out of time	And turns me to gold in the sunlight
Was (1) the wrong pill to take? (Raise it up)	Raise it up, (8) it up
You made a deal	Raise it up, raise it up
And now it seems you have to offer up	And in the spring I shed my skin
(Raise it up, raise it up)	And it blows away with the changing wind
Here I am, a (2) hearted girl	The waters turn (9) blue to red
Frozen in the headlights	As towards the sky I offer it
It seems I've (3) the final sacrifice	This is a gift, it comes with a price
We raise it up	Who is the lamb and who is the knife?
This is a gift, it comes with a price	Midas is king and he holds me so tight
Who is the lamb and who is the knife?	And turns me to gold in the sunlight
Midas is (4) and he holds me so tight	This is a gift, it comes with a price
And turns me to (5) in the sunlight	Who is the lamb and who is the knife?
I look around, but I can't find you (raise it up)	Midas is (10) and he holds me so tight
If only I could see your face (raise it up)	And turns me to gold in the sunlight
Instead of rushing towards the skyline (raise it up)	This is a gift, it comes with a price
I wish that I could just be brave	Who is the lamb and who is the knife?
I must become a lion hearted girl	Midas is king and he holds me so tight
Ready for a fight	And turns me to gold in the sunlight
