Say my name (1) it's the last time		
Live today like its your (2) night		
We want to cry but we know its alright		
Cause I'm with you and you're with me		
Butterflies, butterflies		
We were meant to fly		
You and I, you and I, colors in the sky		
We could rule the world someday, somehow		
But we'll never be as bright as we are now		
We're standing in a light that won't fade		
Tomorrow's coming but this won't change		
Cause some days stay gold forever		
The memory of being here with you		
Is one I'm gonna take my (3) through		
Cause some days stay gold forever		
Promise me you'll stay the way you are		
Keep the (4) alive and stay young at heart		
When the storm feels like it could blow you out		
Remember, you got me and I got you		
Cause we are butterflies, butterflies		
We were meant to fly		
You and I, you and I Colors in the sky		
When the innocence is dead and gone		
These will be the (5) we look back on		

We're standing in a light that won't fade
