

## Fill in the gaps

The way you move is like a full on rainstorm	Kiss me on the sidewalk
And I'm a house of cards	Take (5) the pain
You're the	Cause I see, sparks fly whenever you smile
Kinda reckless that you should (1) me running	Get me with those green eyes, baby
But I (2) know that I won't get far	As the lights go down
And you stood there in (3) of me just	Give me something that'll haunt me
Close enough to touch	When you're not around
Close enough to hope you couldn't see	Cause I see, sparks fly whenever you smile
What I was thinking of	I'll run my finger through your hair
Drop everything now	And watch the lights go wild
Meet me in the pouring rain	Just keep on keeping your (6) on me
Kiss me on the sidewalk	It's just (7) enough to make it (8)
Take away the pain	right
Cause I see, sparks fly	Lead me up staircase
Whenever you smile	Won't you wishper soft and slow
Get me with those green eyes, baby	I'm captivated by you baby
As the lights go down	Like a firework show
Give me something that'll haunt me	Drop everything now
When you're not around	Meet me in the pouring rain
Cause I see, sparks fly whenever you smile	Kiss me on the sidewalk
My mind forgets to remind me	Take away the pain cause
You're a bad idea	I see sparks fly whenever you smile
You (4) me once and it's really something	Get me with (9) green eyes, baby
You find I'm ever better than you	As the lights go down
Imagined I would be	Give me something that'll haunt me
I'm on my guard for the rest of the world	When you're not around
But with you I know it's no good	Cause I see, (10) fly whenever you smile
And I could wait patiently but I really wish you would	When sparks fly, Oh baby smile
Drop everything now	When sparks fly
Meet me in the pouring rain
