

Fill in the gaps

The way you move is like a full on rainsform	Kiss me on the sidewalk
And I'm a (1) of cards	Take (15) the pain
You're the	Cause I see, sparks fly (16) you smile
Kinda reckless (2) you should (3) me	Get me with (17) green eyes, baby
running	As the (18) go down
But I (4) know that I won't get far	Give me something that'll haunt me
And you stood there in front of me just	When you're not around
Close enough to touch	Cause I see, sparks fly whenever you smile
Close enough to hope you couldn't see	I'll run my finger through (19) hair
What I was (5) of	And watch the lights go wild
Drop everything now	Just keep on keeping (20) eyes on me
Meet me in the pouring rain	It's just wrong enough to make it feel right
Kiss me on the sidewalk	Lead me up staircase
Take away the pain	Won't you (21) (22) and slow
Cause I see, (6) fly	I'm captivated by you baby
Whenever you smile	Like a firework show
Get me with those green eyes, baby	Drop everything now
As the lights go down	Meet me in the pouring rain
Give me something that'll haunt me	Kiss me on the sidewalk
When you're not around	Take (23) the pain cause
Cause I see, sparks fly whenever you smile	I see sparks fly whenever you smile
My (7) forgets to (8) me	Get me (24) (25) green eyes, baby
You're a bad idea	As the lights go down
You touch me once and it's really something	Give me something that'll haunt me
You find I'm ever (9) than you	When you're not around
Imagined I would be	Cause I see, sparks fly (26) you smile
I'm on my (10) for the (11) of the	When sparks fly, Oh baby smile
world	When sparks fly
But (12) you I know it's no good	
And I could wait (13) but I really wish	
you would	
Drop everything now	
Meet me in the (14) rain
