

The nights turn colder
Your heads on my shoulder

Blame It On September by Allstar Weekend

I can (1) see you standing there	As summer starts to end
Summer tangled in your hair	Let's (14) it on September
First week of July	Cuz it's (15) to remember
First day of my life	We can fight to hold on
My voice (2) (3) I said hello	But (16) is gone
And from that word we couldn't take it slow	And even if the sun falls
I still can't believe	I (17) we don't (18) it all
The way you (4) at me	Cuz no summer lest forever
Now the nights turn colder	No
Your head's on my shoulder	On the beach, in the heat
We do our best to pretend	You (19) I need
Waves get louder	That sweet ocean air
I'm lost (5) her	I'm gonna go (20) I know we can be alone
As (6) to end	Wait for you, wait for you
Let's blame it on September	There
Cuz it's hurts to remember	Let's blame it on September
We can fight to (8) on	We can try to hold on
But (9) is gone	But August is gone
And even if the sun falls	Let's blame it on September
I hope we don't lose it all	Cuz it's hurts to remember
Cuz no (10) last forever	We can (21) to hold on but (22)
Let's blame it on September	is gone
We drew hearts there in the sand	When the sun falls
Loughter waves (11) all plans	I (23) we don't lose it all
Though we never knew (12) (13) the	Cuz no (24) last forever
truth	Let's (25) it on September
I could still hear our laughing friends	Blame it on September
As we sneak off again n'again	I can still see you standing there
No we never cared	Summer tangled in your hair
To young to be scared
