The nights turn colder
Your heads on my shoulder

Blame It On September by Allstar Weekend

I can still see you standing there	As summer starts to end
Summer tangled in your hair	Let's (4) it on September
First week of July	Cuz it's hurts to remember
First day of my life	We can (5) to hold on
My voice shook when I said hello	But August is gone
And from that word we couldn't take it slow	And even if the sun falls
I (1) can't believe	I hope we don't lose it all
The way you looked at me	Cuz no summer lest forever
Now the nights turn colder	No
Your head's on my shoulder	On the beach, in the heat
We do our (2) to pretend	You know I need
Waves get louder	That sweet ocean air
I'm lost without her	I'm gonna go where I know we can be alone
As summer starts to end	Wait for you, wait for you
Let's blame it on September	There
Cuz it's hurts to remember	Let's blame it on September
We can fight to hold on	We can try to hold on
But August is gone	But August is gone
And even if the sun falls	Let's blame it on September
I hope we don't lose it all	Cuz it's hurts to remember
Cuz no summer last forever	We can fight to hold on but August is gone
Let's blame it on September	When the sun falls
We drew hearts there in the sand	I hope we don't (6) it all
Loughter waves (3) all plans	Cuz no (7) last forever
Though we never knew they told the truth	Let's blame it on September
I could still hear our laughing friends	Blame it on September
As we sneak off again n'again	I can still see you (8) there
No we never cared	Summer (9) in your hair
