

Fill in the gaps

And love is not the easy thing	Stay safe tonight
The (1) baggage you can bring	And I (16) it aches
And love is not the easy thing	And your heart it breaks
The (2) baggage you can bring	And you can only take so much
Is all that you can't leave behind	Walk on
And if the darkness is to keep us apart	Walk on
And if the (3) feels like it's a long way off	Home, hard to know what it is
And if your (4) (5)	If you've (17) had one
(6) crack	Home, I can't say where it is
And for a second you turn back	But I (18) I'm going home
(Oh no)	That's where the hurt is
Be strong	I (19) it aches
(Oh oh)	How your heart it breaks
Walk on, (7) on	And you can only (20) so much
You got (8) can't steal it	Walk on
No they (9) feel it	All that you fashion
Walk on, walk on	All that you make
Stay (11) tonight	All that you build
You're packing a suitcase for a place	All (21) you break
None of us has been	All that you measure
A place (12) has to be believed to be seen	All (22) you steal
You could have (13) away	All this you can (23) behind
A (14) bird in an open cage	All that you reason
Who (15) only fly, only fly for freedom	Leave it behind
Walk on, walk on	
What you've got they can't deny it	
Can't sell it, can't buy it	
Walk on, walk on
