

And you feel like no-one before

Fill in the gaps

Baby slow down	You (13) right (14) my door
The end is not as fun as the start	I (15) 'cos I want you some more
Please (1) a child (2) in	I (16) the lot of what you got
(3) heart	And I want (17) that you're not
l'll (4) you (5) you want	Everywhere you go you shout it
Except the thing (6) you want	You don't (18) to be shy (19) it, no
You are the first one of your kind	And you'll (20) be alone
And you feel like no-one before	Come on now show your soul
You (7) right under my door	You've been keeping (21) love under control
And I kneel 'cos I want you (8) more	Everywhere you go you (22) it
I want the lot of what you got	You don't have to be shy about it
And I want nothing that you're not	Everywhere you go you shout it
Everywhere you go you shout it	Oh my my
You don't (9) to be shy (10) it	And you feel like no-one before
Some things you shouldn't get too good at	You steal (23) under my door
Like smiling, crying and celebrity	l (24) 'cos l (25) you (26)
Some (11) got way too much confidence baby	more
Baby	I want you some more, I want you some more
I'll (12) you everything you want	
Except the thing that you want	
You are the first one of your kind
