

Kite (Live) by U2

...
Something is about to give
I can feel it coming
I think I know what it is
I'm not afraid to die
I'm not afraid to live
And when I'm flat on my back
I hope to feel like I did
'Cause hardness, it sets in
You need some protection
The thinner the skin
I want you to know
That you don't (1)_____ me anymore
I want you to know
You don't need anyone, anything at all
Who's to say (2)_____ the wind will take you
Who's to know what it is will break you
I don't know which way the wind will blow
Who's to know when the time has (3)_____ around
Don't (4)_____ see you cry
I know that this is not goodbye
In summer I can taste the salt in the sea
There's a kite (5)_____ out of control on a breeze
I wonder what's (6)_____ (7)_____ to you

You wonder what has happened to me
I'm a man, I'm not a child
A man who sees
The shadow behind your eyes
Who's to say where the wind will take you
Who's to know what it is will break you
I don't know where the wind will blow
Who's to know when the time has come around
I don't (8)_____ see you cry
I know that this is not goodbye
Did I (9)_____ it?
Not so much I couldn't taste it
Life should be fragrant
Roof top to the basement
The last of the rock stars
When hip hop drove the big cars
In the time when new media
Was the big idea
That was the big idea
Big idea
