

Fill in the gaps

Elevation	Digging up my soul
High, higher than the sun	Going down, excavation
You shoot me from a gun	I and I in the sky
I (1) you to elevate me here	You make me feel like I can fly
At the corner of your lips	So high, elevation
As the orbit of your hips	Elevation
Eclipse, you elevate my soul	Love, lift me out of (6) blues
I've lost all self-control	Won't you tell me something true
Been living like a mole	I believe in you
Now going down, excavation	A mole, living in a hole
I and I in the sky	Digging up my soul
You make me feel like I can fly	Going down, excavation
So high, elevation	I and I in the sky
Elevation	You make me (7) (8) I can fly
A star lit up (2) a cigar	So high, elevation
Strung out like a guitar	Elevation
Maybe you (3) (4) my mind	Elevation
Explain all (5) controls	Elevation
I can't sing but I've got soul	Elevation
The goal is elevation	
A mole, living in a hole
