

Fill in the gaps

Don't believe (1) you near	i can't let you go
Don't (2) what you see	And I (20) be an acrobat
If you just close your eyes you can feel the enemy	To talk like (21) and act like that
When I (3) met you girl, you had fire in your soul	And you can dream, so (22) out loud
What happened t'your (4) of melting snow	And don't let the bastards grind you down
Now it (5) like this!	What are we (23) to do now it's all been said?
And you can swallow or you can spit	No new ideas in the house, and (24) book's
You can throw it up, or choke on it	been read
And you can dream, so (6) out loud	And I must be an acrobat
You (7) (8) (9) time is	To talk like this and act (25) that
coming round	And you can dream, so dream out loud
So don't let the bastards grind you down	And you can find your own way out
No, nothing (10) sense, nothing seems to fit	And you can build, and I can will
I know (11) hit out if you (12)	And you can call, I can't wait until
knew who to hit	You can (26) and you can seize
And I'd (13) the movement	In dreams (27) responsibilities
If (14) was one I (15) believe in	And I can love, and I can love
Yeah, I'd break bread and wine	And I know that the tide is turning 'round
If (16) was a (17) I	So don't let the (28) grind you down
(18) receive in	
'Cause I (19) it now	
To take the cup	
To fill it up, to drink it slow
