

## Fill in the gaps

Don't believe what you hear			I can't let you go	
Don't (1)	what you see		And I must be an acrobat	
If you just close your eyes you can feel the enemy			To talk like this and act like that	
When I first met you girl, you had fire in (2) soul		soul	And you can dream, so dream out loud	
What happened tyour face of melting snow		And don't let the bastards grind you down		
Now it looks (3) this!		What are we going to do now it's all been said?		
And you can swallow or you can spit		No new ideas in the house, and every book's been read		
You can throw it up, or choke on it		And I (7) be an acrobat		
And you can dream, so dream out loud		To talk like this and act like that		
You know that your time is coming round			And you can dream, so dream out loud	
So don't let the bastards grind you down			And you can find your own way out	
No, nothing (4) sense, nothing seems to fit		And you can build, and I can will		
I know you'd hit out if you only knew who to hit		And you can call, I (8)	wait until	
And I'd (5) the movement		You can stash and you can seize		
If there was one I could believe in		In dreams begin responsibilities		
Yeah, I'd break bread and wine			And I can love, and I can love	
If there was a church I could receive in			And I know that the tide is (9)	'round
'Cause I need it now			So don't let the bastards (10)	you down
To take the cup				
To fill it up, to (6)	it slow
