

Fill in the gaps

I, I miss you			
I'm a lightning bug trying to fight the sun			
And I, I lost you			
To a (1)	in the (2)		
sky			
You said it yourself you won't fool us twice			
So why the hell have you been flying by? (yeah)			
You better come back tonight alone			
You're (3) f	ind you're falling		
And you're falling on your own			
You better come back tonight, alone			
You're gonna find you're falling			
And you're falling on your	rown		
You and I, we are (4)		but perfect	
But there's no way to learn this			
Without making our mistakes			
Somehow I let you slip away (oh)			
There is nothing I believe in more than us			
You left me nothing and it	t's all I've (5)	_ to trust	
I'm at the edge and turning round, alone			
So, you better come back tonight, alone			
You're gonna find you're falling			

And you're falling on (6)	_ own		
You better come back tonight, alone			
You're gonna find you're falling			
And you're falling on your own			
I tried to build the bridge to bring you here			
So sick of us being up in the air			
Nothing is real (7)	you here with me		
You (8) come ba	ick tonight, alone		
You're gonna find you're falling			
And you're falling on your own			
You (9) come ba	ick tonight, alone		
You're gonna find you're falling			
And you're falling on your own			
(You better come back)			
My firefly (come back)			
My firefly (come back)			
Come back to me			
Come back
