, i (1) you	And you're failing on your own
'm a lightning bug trying to fight the sun	You (16) (17) back tonight, alone
And I, I lost you	You're gonna find you're falling
To a satellite in the midnight sky	And you're falling on your own
You (2) it (3) you won't fool	I tried to build the (18) to bring you here
us twice	So (19) of us (20) up in the air
So why the hell have you been flying by? (yeah)	Nothing is real without you (21) with me
You better come back (4) alone	You (22) come (23) tonight, alone
You're (5) (6) you're falling	You're gonna (24) you're falling
And you're falling on your own	And you're falling on (25) own
You better (7) (8) tonight, alone	You better (26) (27) tonight, alone
You're gonna find you're falling	You're (28) find you're falling
And you're falling on (9) own	And you're falling on your own
You and I, we are (10) but perfect	(You better come back)
But there's no way to learn this	My firefly (come back)
Nithout making our mistakes	My firefly (come back)
Somehow I let you slip away (oh)	Come back to me
There is (11) I believe in more than us	Come back
You left me (12) and it's all I've left to trust

alone	
You're (15) find you're falling
