Catch Me (Acoustic) by Demi Lovato

I can't set my hopes to high

Fill in the gaps

Before I fall too fast	Cause every hello (5) ends with a goodbye
Kiss me quick, but make it last	But you're so hypnotising
So I can see how badly this (1) hurt me	You've got me laughing while I sing
When you say goodbye	You've got me smiling in my sleep, (yeah)
Keep it sweet, keep it slow	And I can see this unraveling
Let the future pass and don't let go	Your love is where I'm falling
But tonight I could fall too soon	But please don't catch me
Into this beautiful moonlight	So now you see why I'm scared
But you're so hypnotising	I can't open up my heart without a care
You got me (2) while I sing	So here I go, it's (6) I feel
You got me smiling in my sleep, (yeah)	And for the first time in my (7) I know it's real
And I can see this unraveling	But you're so hypnotising
Your love is where I'm falling	You've got me laughing while I sing
But please don't catch me	You've got me smiling in my sleep, (yeah)
See this heart, won't settle down	And I can see this unraveling
Like a child running scared from a clown	Your love is where I'm falling
'm terrified of (3) you'll do	But please don't catch me
My (4) screams just when I look at you	And if this is love, (8) don't break me
Run far away, so I can breath	I'm (9) up so just catch me
Even though your far from suffocating me
