

Fill in the gaps

Passion is sweet		In your deepe	est sleep what		
Love makes weak		Are you drea	ming of		
You said you (1)	freedom so	My skin's	(6)	burning	(7)
You refuse to let it go		(8)	touch		
Follow your fate		(Oh) I just ca	n't get enough I		
Love and hate		Said I wouldr	n't ask for much		
Never fail to seize the day		But your eyes	s are dangerous so	1	
But dont give yourself away		The thought I	keeps spinning in n	ny head	
(Oh) when the night falls		Can we drop	this masquerade		
And your all alone		I can't predict	t where it ends		
In your deepest sleep what		If your the rock I'll crush against			
Are you dreaming of		My soul my heart			
My skin's still burning from your touch		If you're near if you're far			
(Oh) I (2) can't get enough I		My life my love			
Said I wouldn't ask for much		You can have	e it all		
But your (3) are dangerous s	0				
The thought keeps spinning in my head		(Oh) when the night falls			
Can we drop this masquerade		And your all alone			
I can't predict where it ends		In your deepest sleep what			
If your the rock I'll (4) against		Are you dreaming of			
Trapped in a crowd		My skin's still burning from your touch			
The music is loud		(Oh) I just ca	n't get enough I		
(5) I love my freedom to		Said I wouldn't ask for much			
Now I'm not sure I do		But your eyes	s are (9)		so
All eyes on you		The thought I	keeps spinning in n	ny head	
Rings so true		Can we drop this masquerade			
Better quit while you're ahead		I can't predict where it ends			
Now I'm not so sure I am		If your the rock I'll crush against			
(Oh) when the night falls		(Oh) if your th	ne (10)	I'll crush agai	inst
And your all alone
