

Fill in the gaps

It felt so good to fall in love

Remember the first day when I saw your face
Remember the first day when you smiled at me
You (1) to me and then you said to me
I was the woman you dreamed about
Remember the first day when you called my house
Remember the first day (2) you took me out
We had butterflies although we tried to hide
And we both had a beautiful night
The way we held each others hand
The way we talked, the way we laughed
It felt so good to find true love
I knew right then and there you were the one
I know that he loves me 'cause he told me so
I know that he loves me 'cause his feelings show
When he stares at me, you see he cares for me
You see how he is so deep in love
I know that he loves me 'cause it's obvious
I know (3) he loves me 'cause it's me he trusts
And he's missing me if he's not kissing me
And when he looks at me, his brown eyes tell it so
Remember the first day, the first day we kissed
Remember the first day we had an argument
We apologized and then we compromised
And we haven't argued since
Remember the first day we stopped playing games
Remember the (4) day you fell in love with me
It felt so good for you to say those words
'Cause I felt the (5) way too
The way we held each others hand
The way we talked the way we laughed

And I knew right then and there you were the one I know that he loves me 'cause he told me so I know that he loves me 'cause his feelings show When he stares at me, you see he cares for me You see how he is so deep in love I know that he loves me 'cause it's obvious I know that he loves me 'cause it's me he trusts And he's missing me If he's not kissing me And when he looks at me, his brown eyes tell it so I'm so happy So happy (6)_____ you're in my life And baby now that you're a part of me You showed me Showed me the true meaning of love The true meaning of love And I know he loves me I know that he loves me 'cause he told me so (7)_____ that he loves me 'cause his _ show When he stares at me you see he cares for me You see how he is so (9)_____ in love I know that he loves me 'cause it's obvious I know that he loves me 'cause it's me he trusts And he's missing me if he's not kissing me And when he looks at me his brown eyes tell it so He looks at me and his brown eyes tell it so

1. stepped

- 2. when
- 3. that
