## Fill in the gaps

And I'd (1) up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll ever be
And I don't want to go home right now
And all I can taste is this moment
And all I can breathe is your life
And sooner or later it's over
I just don't wanna to miss you tonight
And I don't (2) the (3) to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am
And you can't fight the tears that ain't coming
Or the moment of (4) in your lies
Or the moment of (4) in your lies  When everything feels like the movies
When everything feels like the movies
When everything feels like the movies  Yeah you bleed just to know you're alive
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me  'Cause I don't think that they'd understand
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me  'Cause I don't think that they'd understand  When everything's made to be broken
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me  'Cause I don't think that they'd understand  When everything's made to be broken  I just want you to (5) who I am
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me  'Cause I don't think that they'd understand  When everything's made to be broken  I just want you to (5) who I am  And I don't want the world to see me
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me  'Cause I don't think that they'd understand  When everything's made to be broken  I just want you to (5) who I am  And I don't want the world to see me  'Cause I don't think that they'd understand
When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the world to see me  'Cause I don't think that they'd understand  When everything's made to be broken  I just want you to (5) who I am  And I don't want the world to see me  'Cause I don't think that they'd understand  When everything's made to be broken
