

Fill in the gaps

I will not make the same mistakes (1) you did	I find it hard to trust not only me, but everyone around me
I will not let myself	Because of you
Cause my heart so much misery	I am afraid
I will not break the way you did,	I watched you die
You fell so hard	I heard you cry (6) night in your sleep
I've learned the (2) way	I was so young
To never let it get that far	You (7) have known better than to lean on me
Because of you	You (8) thought of anyone else
I never stray too far from the sidewalk	You just saw your pain
Because of you	And now I cry in the middle of the night
I learned to play on the safe side so I don't get hurt	For the same damn thing
Because of you	Because of you
I find it (3) to trust not only me, but everyone	I never stray too far from the sidewalk
around me	Because of you
Because of you	I learned to play on the safe side so I don't get hurt
I am afraid	Because of you
I lose my way	I try my hardest just to forget everything
And it's not too long before you point it out	Because of you
I cannot cry	I don't know how to let anyone else in
Because I know that's weakness in your eyes	Because of you
I'm forced to fake	I'm ashamed of my (9) because it's empty
A smile, a laugh everyday of my life	Because of you
My heart can't possibly break	I am afraid
When it wasn't even whole to start with	Because of you
Because of you	Because of you
I (4) stray too far from the sidewalk	
Because of you	
I learned to play on the safe (5) so I don't get hurt	
Because of you
