

Because of you

Fill in the gaps

I (1)	not (2)	the same mistakes that you	I find it hard to trust not only me, but everyone around me
did			Because of you
I will not let myself			I am afraid
Cause my heart so much misery			I watched you die
I (3) not break the way you did,			I heard you cry every night in (6) sleep
You fell so hard			I was so young
I've learned the hard way			You should have known better than to lean on me
To never let it get that far			You never thought of anyone else
Because of you			You just saw your pain
I never stray too far from the sidewalk			And now I cry in the middle of the night
Because of you			For the (7) damn thing
I learned to play on the safe side so I don't get hurt			Because of you
Because of you			I never stray too far from the sidewalk
I (4) it hard to trust not only me, but everyone			Because of you
around me			I learned to play on the safe side so I don't get hurt
Because of you			Because of you
I am afraid			I try my (8) just to (9)
I lose my way			everything
And it's not too long before you point it out			Because of you
I cannot cry			I don't know how to let anyone else in
Because I know that's weakness in your eyes			Because of you
I'm forced to fake			I'm ashamed of my life because it's empty
A smile, a laugh everyday of my life			Because of you
My heart can't possibly break			I am afraid
When it wasn't even whole to start with			Because of you
Because of you			Because of you
I never stray too far from the sidewalk			
Because of you	u		
I learned to (5) on the safe side so I don't get hurt
