## Fill in the gaps

Yeah, one, two	Marry him or marry me
Princes (1) before you	I'm the one that loves you baby, can't you see
That's what I said now	I ain't got no future or a family tree but
Princes, princes who adore you	I know what a prince and lover ought to be
Just go (2) now	I know what a prince and lover ought to be
One has diamonds in his pockets	Said, if you want to call me baby
And that's some bread, now	Just go ahead now
This one, said he (3) to buy you rockets	And if you'd like to tell me maybe
Ain't in his head now (yeah)	Just go (8) now
