Fear Of The Dark by Iron Maiden

I am a man who walks alone
And when I'm walking a dark road
At night or strolling through the park
When the light begins to change
I sometimes feel a little strange
A little anxious when it's dark
Fear of the dark
Fear of the dark
I (1)_____ constant fear that something's always near
Fear of the dark
Fear of the dark
I have a phobia that someone's always there
Have you run (2)_____ fingers down the wall
And have you felt your neck (3)_____ crawl
When you're searching for the light?
Sometimes when you're scared to take a look
At the corner of the room
You've sensed (4)_____ something's watching you
Fear of the dark
Fear of the dark
I have constant fear that something's always near
Fear of the dark
Fear of the dark
I (5)_____ a phobia that someone's always there
Have you ever been alone at night
Thought you (6)_____ footsteps behind
And (7)_____ around and no-one's there?
And as you quicken up your pace
You find it hard to look again
Because you're sure there's someone there
Fear of the dark

Debating witches and folklore
The unknown troubles on your mind
Maybe your mind is playing tricks
You sense and suddenly eyes fix
On dancing shadows (10)_____ behind
