Fear of the dark

I am a man who walks alone	Fear of the dark
And when I'm walking a dark road	I have a phobia that someone's always there
At night or strolling through the park	Fear of the dark
When the light begins to change	Fear of the dark
I (1) feel a little strange	Fear of the dark
A little anxious when it's dark	Fear of the dark
Fear of the dark	Fear of the dark
Fear of the dark	Fear of the dark
I have (2) fear that something's always	Fear of the dark
near	Fear of the dark
Fear of the dark	Watching horror films the night before
Fear of the dark	Debating witches and folklore
I have a phobia that someone's (3) there	The unknown troubles on your mind
Have you run your fingers down the wall	Maybe your mind is playing tricks
And have you felt your neck skin crawl	You sense and suddenly (7) fix
When you're searching for the light?	On dancing shadows from behind
Sometimes when you're scared to take a look	Fear of the dark
At the corner of the room	Fear of the dark
You've sensed that something's watching you	I have constant fear that something's always near
Fear of the dark	Fear of the dark
Fear of the dark	Fear of the dark
I have constant fear that something's always near	I have a (8) that someone's always there.
Fear of the dark	Fear of the dark
Fear of the dark	Fear of the dark
I have a phobia that someone's always there	I have constant fear (9) something's always near
Have you (4) been alone at night	Fear of the dark
Thought you heard footsteps behind	Fear of the dark
And turned around and no-one's there?	I have a (10) that someone's always there
And as you quicken up your pace	When I'm walking a dark road
You find it hard to look again	I am a man who walks alone
Because you're sure there's (5) there	
Fear of the dark	
Fear of the dark	
I have constant fear (6) something's always near
