Love Is Here by Tenth Avenue North

Come to the water	Love is near, it satisfies
You who thirst and you'll thirst no more	Streams of (4) (5) from his
Come to the Father	side
You who work and you'll (1) no more	Yeah
And all you who labor in vain	And to the (6) and fallen
And to the (2) and shamed	Captives, bound, and broken hearted
Love is here	He is the lord
Love is now	He is the lord
Love is pouring from his hands	Yeah
From his brows	By his (7) he's paid our ransom
Love is near, it satisfies	From his wounds we drink salvation
Streams of mercy flowing from his side	He is the lord
'Cause love is here	He is the lord
Come to the treasure	Love is here
You who search and you'll search no more	Love is now
Come to the lover	Love is pouring (8) his hands
You who (3) and you'll want no more, no	From his brows
And all you who labor in vain	Love is near
And to the broken and shamed	It satisfies
Yeah	Streams of mercy flowing from his side
Love is here	Streams of mercy (9) from his side
Love is now	'Cause love is here
Love is pouring from his hands	Love is here
