

## Fill in the gaps

## Washed By The Water by Needtobreathe

Daddy was a preacher		Turn around and crucity me
She was his wife		I won't (13) (14) let you dow
Just tryin' to make the world a little better		I won't fall, I won't fall
You know, (1) a light		I won't fall as long as you're around me
People started talking		Even when the (15) falls
Just to hear their own voice		Even (16) the flood starts rising
Those (2) (3)	to accuse my	Even when the (17) comes
father		I am washed by the water
Saying he'd (4) the wrong choice		Even when the rain falls
Though it might be painful		Even when the flood (18) rising
You (5) that time will (6)	tell	Even when the storm comes
Those people (7) long since gone		I am (19) by the water
My (8) never failed		Even when the rain falls
Even when the rain falls		Even when the flood starts rising
Even (9) the flood starts rising		Even (20) the storm comes
Even when the storm comes		I am washed by the water
I am (10) by the water		Even when the (21) falls
Even when the rain falls		Even when the flood (22) rising
Even when the flood starts rising		Even when the (23) comes
Even when the storm comes		I am washed by the water
I am (11) by the water		
Even when the earth crumbles under my feet		
Even when the (12) I love
