Save Me From Myself by Christina Aguilera

It's not so easy loving me	But you never turn away
It gets so complicated	Don't ask me why I'm crying
All the (1) you've (2) be	'Cause when I start to crumble
Everything's changin, but you're the truth	You know how to keep me smiling
I'm amazed by all your patience	You always save me (6) myself
Everything I put you through	From myself, myself
When I'm (3) to fall	You're gonna save me from myself
Somehow you're always waiting	I know it's hard, it's hard
With your open (4) to catch me	But you've broken all my walls
You're gonna save me from myself	You've been my strength, so strong
From myself, yes	And don't ask me why I (7) you
You're gonna save me from myself	It's obvious your tenderness
	Is what I need to (8) me
My love is tainted by your touch	A better (9) to myself
Well, some guys have (5) me aces	To myself, myself
But you've got that Royal Flush	You're gonna save me (10) my, myself
I know it's crazy everyday
