

## Fill in the gaps

No sir	That's what you get
Well I don't (1) be the blame	When you let (11) heart win
Not anymore	(Whoa)
It's your turn	That's what you get
So take a (2) we're settling	When you let your heart win
The final score	(Whoa)
And why do we like to hurt, so much?	I drowned out all my (12) with
I can't decide	The (13) of its beating (beating)
You have (3) it harder (4) to go on	And that's what you get
And why, all the possibilities	When you let your heart win
Well I was wrong	(Whoa)
That's (5) you get	Pain make (14) way to me, to me
When you let your heart win	And I'll always be just so (so) inviting
(Whoa)	If I ever start to (15) straight
That's (6) you get	This heart will start a riot in me
When you let your heart win	Let's start, (16) (hey!)
(Whoa)	Why do we like to hurt so much?
I drowned out all my sense with	(Oh) why do we like to hurt so much?
The sound of its beating	That's (17) you get
And that's what you get	When you let your (18) win!
When you let (7) (8) win	(Whoa)
(Whoa)	That's what you get
I wonder	When you let your (19) win
How am I supposed to feel	(Whoa)
When you're not here	That's (20) you get
'Cause I burned	When you let your heart win
Every (9) I ever built	(Whoa)
When you were here	Now I can't trust myself with
I still try	Anything but this
Holding on to silly things	And that's (21) you get
I never learn	When you let (22) (23) wir
(Oh) why	(Whoa)
All the possibilities	
I'm (10) you've heard
