	From my double barrel, 12 gauge
Under the (1) where we (2) tall	Can't (17) me in (18) cage
Nobody touches us at all	You see us comin'
Showdown, shootout, spread (3) within, without	And you all together run for cover
We're (4) take what's ours to have	We're (19) over this town
Spread the word throughout the land they say	Here we come reach for your gun
The bad guys wear black	And you better listen well my friend, you see
We're (5) and can't turn back	It's been (20) (21) below
You see us comin'	Aimed at you we're the cowboys from hell
And you all together run for cover	Deed is done again, we've won
We're taking (6) town	Ain't talking no tall tales friend 'cause
Here we come reach for your gun	High noon, your doom
And you better listen well my friend, you see	Comin' for you we're the cowboys from hell
It's been slow down below	
Aimed at you we're the cowboys (8) hell	Here we come reach for your gun
Deed is done again, we've won	And you better listen well my friend, you see
Ain't (9) no (10)	It's been slow (22) below
(11) friend	Aimed at you we're the cowboys from hell
'Cause (12) noon, your doom	Deed is done again, we've won
Comin' for you we're the cowboys from hell	Ain't talking no tall tales friend 'cause
	High noon, your doom
Pillage the village, (13) the scene but	Coming for you we're the cowboys from hell
Better not (14) it out on me	Step (23) for the cowboys from hell!
'Cause a ghost (15) is found	
Where (16) city used to be	
So out of the darkness and into the light
