

Fill in the gaps

	I try and try but my obsession
Want to but I can't (1) it	Won't let me leave
I love the way it feels	I got a problem and I
Just got me stuck between	(Don't know what to do about it)
My fantasy and what is real	Even if I did I don't know
I need it when I want it	If I would quit but I doubt it I'm
I want it when I don't	Taken by the thought of it
Tell myself I'll stop every day	And I know this (7) is true
Knowing (2) I won't	Baby, you have become my addiction
I got a problem and I	I'm so strung out on you
(Don't know what to do about it)	I can (8) move
Even if I did I don't know	But I like it
If I would (3) but I doubt it	And it's all (9) of you (all because of you)
I'm (4) by the thought of it	And it's all because of you (all because of you)
And I know this much is true	And it's all because of you (all because of you)
Baby, you have become my addiction	And it's all because
I'm so strung out on you	Never get enough (never get enough)
I can barely move	She's the sweetest drug
But I like it	Ain't no doubt (no doubt)
And it's all (5) of you (all because of you)	So strung out (strung out)
And it's all because of you (all because of you)	Ain't no doubt
And it's all because of you (all because of you)	So (10) out
And it's all because	Over you (over you), you, you
Never get enough	
She's the sweetest drug	Because of you
Think of it every second	And it's all because of you
I can't get (6) done	Never get enough
Only concern is the next time	She's the sweetest drug
I'm gonna get me some	She's the sweetest drug
Know I should stay away from	
'Cause it's no good for me
