

Fill in the gaps

And you ask me what I want this year	If we all just (6) and (7) a prayer
And I try to make (1) (2) and clear	for them
Just a (3) that maybe we'll find	So take these words
Better days	And sing out loud
Cuz I don't need boxes wrapped in strings	Cuz everyone
And desire and love and empty things	Is forgiven now
Just a chance that maybe we'll find	Cuz tonight's the night the world begins again
Better days	I wish everyone was loved tonight
So (4) these words	And somehow stop (8) endless fight
And sing out loud	Just a chance that maybe we'll find
Cuz everyone	Better days
Is forgiven now	So take (9) words
Cuz tonight's the night the world begins again	And sing out loud
And it's someplace simple where we could live	Cuz everyone
And (5) only you can give	Is forgiven now
And that's faith and trust	Cuz tonight's the night the world begins again
And peace while we're alive	Cuz tonight's the night the world begins again
And the one poor child that saved this world	
And there's ten million more who probably could
