Does he wash up? Never wash up

The Boy Does Nothing by Alesha Dixon

	Does he clean up? No, he (5) (6)
got a man with two left feet	ир
And when he (1) down to the beat	Does he brush up? Never brushed up
really think that he should know	He does nothing, the boy does nothing
That his rhythms go, go, go	Does he wash up? Never wash up
got a man with two left feet	Does he clean up? No, he never cleans up
And when he dances down to the beat	Does he brush up? Never brushed up
really think that he should know	He does nothing, the boy does nothing
That his rhythms go, go, go	Work it out now
Does he wash up? Never wash up	Work it, work it out now
Does he clean up? No, he never cleans up	Do the mambo
Does he brush up? Never brushed up	Shake it all around now
He (2) nothing, the boy (3) no	thing Everybody on the floor
Does he wash up? Never wash up	Let me see you clap your hands
Does he clean up? No, he never cleans up	I wanna see you work
Does he (4) up? Never brushed up	I wanna see you move your body and turn
He does nothing, the boy does nothing	I wanna see you shake your hips and learn
Hey boy, how you been?	I wanna see you work it, work it, work it out now, hey!
got a thousand lines, where do I begin?	I wanna see you work
And I, I been here, been there traveling	I wanna see you move your body and turn
saw you at the corner	I wanna see you shake your hips and learn
My vibe kicked in and	I wanna see you work it, (7) it, work it out now
Two fields	Does he wash up? Never wash up
clock you	Does he (8) up? No, he never cleans up
Wearing tight jeans	Does he brush up? Never brushed up
A real nice suit	He does nothing, the boy does nothing
He was smiling like you	Does he wash up? Never wash up
Was just seventeen	Does he clean up? No, he never cleans up
asked him for a dance	Does he brush up? (9) brushed up
He said "Yes, please"	He does nothing, the boy (10) nothing
Take a sip of dancing juice	And if the man can't dance
Everybody's onto you	He gets no second chance
Through the left and to the right	And if the man can't dance
Everybody hit the rhythm	He gets no second chance
t's on tonight	And if the man can't dance
'm gonna feel the beat within my soul	He gets no second chance
need a man to take control
