

## Fill in the gaps

And I relied on my best friend	And if it's going to be my destiny
She would (1) me	I don't want to (16) it
She (2) out her code	(18) to me
And then put on her jacket	I (19) (20) so hard
Now I'm (3) because she's really gone	My hands will hurt
Oh	I will pay my sins
Oh	If so in hell
And I relied on my best friend	Serenade
Do you remember?	Serenade me
She was so young	They say I'm dry
And now that we're burning	But I'm just sick
They're scared (4) she's really gone	Serenade me
Oh	They say I'm cold
Oh	But I'm just sick
And if it's going to be my destiny	Serenade me
I don't (5) to (6) till it comes to me	And if it's going to be my destiny
I (7) work so hard	I don't want to wait till it (21) to me
My (8) will hurt	I (22) work so hard
I will pay my sins	My (23) will hurt
If so in hell	I (24) pay my sins
Serenade	If so in hell
Serenade me	Serenade
They say I'm dry	Serenade me
But I'm just sick	They say I'm dry
Serenade me	But I'm (25) sick
They say I'm cold	Serenade me
But I'm (9) sick	They say I'm cold
Serenade me	But I'm (26) sick
And I (10) on my best friend	Serenade me
She (11) me	Serenade me
She broke out her code	They say I'm dry
And (13) put on her jacket	But I'm just sick
Now they're (14) (15) she's	Serenade me
really gone	
Oh	
Oh
